

Coaching & qualification for migrant entrepreneurs

Coaching & qualification for migrant entrepreneurs

Are you an entrepreneur with a history of migration and need support? Would you like to win more customers? Or are you stuck in a crisis and need help? We offer professional support on these and other similar questions.

Our free offer:

- » Seminars e.g. on the following topics:
Book keeping, sales talks, tax returns,
Labor law, online marketing, social security
for the self-employed or as required
- » Individual consultation or coaching
through business consultants,
marketing experts or as needed
